Vision of Destiny Developers Shifts

God is moving in Poland and Europe! Change is upon this nation, and we are in the middle of it! Words of encouragement and vision spoken to us this year include, "There is a great shift in this place up into the purpose of God, new beginnings, a year of rising, a year of launching the leaders in this house in a new way as well; they have vision in their hearts. It is a day of exponential multiplication."

Destiny Developers has been intimately related to CFN Poland for the past seven and a half years. In this, our eighth year in Poland, the relationship is shifting, not ending. The shift is not only for the school, but also for us. We believe the Lord has given us a vision of freedom, liberty, and reformation for His church to help release the apostolic and prophetic for this season wherever we may go. We expect to do our part as we make ourselves available as His vessels to raise up a generation that has His anointing to deliver the nation. We're stepping out to see the fire of God released in Europe.

In the spring, we have been invited to go to England to minister near London. When we return to Poland to teach the last block and see our students graduate, we also plan to minister in Poland and other European nations as they open up to us. As we continue to

fulfill our part on the CFN inner board of directors, we also hope to build up and help bring in finances and resources for this work.

Clearly, there is a shift in the making. "The new is upon this land." We are seeing a wave of godly increase in the young people here in Poland. Our former staff and students have lead youth conferences, workshops, and summer camps for youth and young adults for the past three years. They lead praise and worship, minister in drama, dance and flags, and do much of the teaching and training. In addition, CFN has completed its fifth year of our Summer School of the Arts in Ministry. "Generations are aligning now; those who have an anointing to deliver a nation," as Chuck Pierce put it.

The changes of leadership at CFN also exemplify this advance of the move of God here in Poland. With Radek Wodzick as administrator of CFN now and Krzysztof Majdylo as President of the Association, we are witnessing the fulfillment of these words. New staff and translators are also taking their positions at the school. We see these lovers of God willing and eager to promote the purpose of God in Gdynia, in other nations where we minister on outreach, and in (continued on next page)

the lives of our 22 students this year. “I have no greater joy than to hear that my children walk in truth.” 3John 4

We are also planning for this exponential increase as we search for a new building to house the expanded vision. There is a building in Gdansk that we are presently pursuing, should our present CFN building sell. Though it will need extensive remodeling, it is still desirable. With its great location and large auditorium space which would seat 300, we are especially excited to see what the Lord will do. There is a great need for such a large place where conferences could be held, not only for CFN, but also for other churches in the tri-city area.

Recently, we met with Dr. Eric Belcher (far right in picture below), Nickie and Sandy Geldenhuys (center front), leaders of CFNI in Dallas, to share about what God is doing in Poland and to tell them about our search for a larger building.

They were very excited to hear about our students, graduates, and some of the ministries birthed through graduates, such as music teams traveling in Europe as well as ministering at camps and in churches, children’s daycare, recording and music business, Christian Kids’ Clubs for after school, youth ministries, homeless shelters, worship leaders, pastors and churches, as well as businesses. The fruit of the Holy Spirit is obvious after eight years, and we believe this Fire has just begun and will continue well into the future. We are thankful and amazed at God’s faithfulness and goodness as He continues to confirm this work with His presence and provision. Destiny Developers is “Building together with God.”

held its network conference in Burton-on-Trent in England mid November. We were so happy to be able to attend, and we were greatly strengthened with the anointed word and ministry of CIE director Sharon Stone Black (pictured above next to Dennis) and Apostle Jane Hamon (next to Linda) who is co-pastor of CI Church in Florida. We met many new pastors and ministers from all over Europe and look forward to building these new relationships to bring forth a better understanding of the prophetic in Europe.

Recently, Dennis and Linda were privileged to have lunch with Mrs. Freda Lindsay, her daughter Shira, and other CFNI leaders. At 94, she is still going strong for the Lord! May God continue to bless the work of her hands.

Jesus is the Reason For the Season

We must conclude this letter by celebrating with you the birth of our Savior Jesus Christ! Truly, it's all about Him, His unconditional love, His faithfulness and abundant grace!

We are grateful for this unspeakable gift of salvation and redemption our Heavenly Father has so freely given us. We know you join your heart with ours as we marvel at God's mercy. He has provided a lamb when we had none, a perfect sacrifice to fulfill all the Law – His Name is Jesus!

For this reason, our desire is to fulfill our Heavenly Father's desire and bring this good news of "Peace on Earth, Goodwill to Men" to those to whom our Father sends us. Though we cannot explain it, He has sent us to Poland and Eastern Europe where He has opened up the double doors for us, giving us great favor wherever we go. He has supplied and shall supply (abundantly) all of our need, according to His riches in glory by Christ Jesus.

The seeds sown over the past years have already begun to sprout, blossom, and bring forth fruit for the Kingdom of God. Thanks to your support, we have carried out and will continue to do the Father's will to raise up leaders who recognize the Holy Spirit's voice and obey Him, those who will establish businesses and pastor churches, run Bible schools, move in the gifts of the Holy Spirit, and touch the young and old of the nations of Europe and the world with God's amazing grace.

*"...Behold, I bring you good tidings of great joy which will be to all people. For there is born to you this day in the city of David a Savior, who is Christ the Lord."
Luke 2:10 & 11*

*Blessings,
Dennis and Linda*
